

Dark Chocolate Strawberries

Ingredients

6 ounces of 65%-70% cocoa dark chocolate, small pieces

36 medium-sized strawberries

Directions

1. Clean strawberries, dry and set aside
2. Place chocolates in a stainless steel bowl and place bowl over simmering water in a shallow pan. Stir frequently until chocolate is smooth and melted.
OR
Place in a microwave safe dish on high for 1 minute, remove, stir and microwave on medium heat for 20 seconds. Stir and repeat until chocolate is smooth and melted.
3. Dip each strawberry halfway in the melted chocolate and place on a pan lined with wax paper
4. Let stand at room temperature or cool in the refrigerator for 15 minutes
